The standards for home occupations in this Section are intended to ensure compatibility with other permitted uses and with the residential character of the neighborhood, plus a clearly secondary or incidental status in relation to the residential use of the main building as the criteria for determining whether a proposed accessory use qualifies as home occupation.

Permitted Home Occupations are listed in Section 1129.05. In the event the home occupation submitted by the application is **not permitted**, an Application for Conditional Use Permit must be filed.
